

Series Rules

To earn points, contestants & horses must be nominated to the series by paying the one-time nomination fee.

Points are earned both on Friday and Saturday in the following classes:

- Pole Bending 2D
- Pee Wee
- Open 4D
- Youth 4D

Points are given out as follows:

1st Place - 10 points

2nd Place - 9 points

3rd Place - 8 points

4th Place - 7 points

5th Place - 6 points

Clean Run - 5 points

In addition to the points system above, there will also be an average point system based on the average results from both days in each of the classes. These average standings will determine the top 5 in each division that will earn a direct invitation to the showdown finals held in April.

Awards will be given out in each division of each class. Number of spots will be determined based on the number of series nominations received.

Entries open for each race online the Monday before and close Thursday evening - onsite entries are received and will be in the late draw.

Points are earned at the first 5 races (Nov, Dec, Jan, Feb, Mar). The Series Finals will host the awards ceremony as well as the Showdown Finals.
